Subject : Yasin Barkın Başaran – Statement of  
English Language Level

11.02.2025

To whom it may concern,

The medium of instruction in Sabancı University is English. Therefore, undergraduates are required to meet a standard of English language proficiency equivalent to a minimum of level B2 in the Common European Framework of Reference for Languages. Accepted means of demonstrating a minimum level of B2 are: passing the university's own English Language Assessment Exam, passing the university's English language preparation program (the Foundation Development Year), or achieving a sufficient level in an external exam (TOEFL IBT, PTE Academic, CAE, CPE, YDS).

On achieving this level, Yasin Barkın Başaran became entitled to commence study in faculty and engaged in successful, full-time, undergraduate study entirely in English (with the exception of Turkish Language & Literature courses); this included the Academic Literacies course (AL 102) covering higher level academic language skills in English. Bearing this in mind, Yasin Barkın Başaran's English level is most probably now at level C1.

We therefore assure you Yasin Barkın Başaran's knowledge, awareness and skills of the English language will be more than sufficient for high-level academic study.

This document has been issued upon the request of the above mentioned student. If you require any further details or confirmation, please do not hesitate to contact us.
